Saturday, February 16, 2019 will mark the Young Associates 11th Annual Casino Night at the North Carolina Museum of History. This event consists of 500+ young professionals in the Raleigh area coming together to benefit and raise funds for the NC Museum of History. Money from this event funds educational programming, helps create innovative exhibitions and supplements artifact purchases.

Other than operational support from the state, the Museum relies on the generosity of our sponsors to help provide educational experiences to students, teachers, children, families, and individuals across our state. Your gift has the power to make a difference.
